Good morning Anna

Thank you for your advice.

I can confirm our client has now pegged out the proposed building on site as requested.

I also confirm the additional eco report is attached, which hopefully will be sufficient to remove the holding objection from the councils eco team.

Also attached is the missing file from the BNG report.

Regards

Graham Middle

Dear Graham

I can confirm that I have visited the site today.

As this proposal is for the construction of two new dwellings on an infill plot with neighbouring dwellings it will be very helpful to me if the corners of the buildings could be clearly marked out on the site with white marker posts to show the extent of the building footprints. This will help me to assess the remaining space for the associated gardens and the relationship of the houses to those on adjacent plots.

I am happy to revisit the site once this marking out has been done.

I look forward to hearing from you.

Regards

Anna

Subject: RE: Site visit notification - DM/24/2999 - 1A Lodgelands, Ardingly

Good morning Anna

Our client has advised as follows;

That's all fine, there is heras fencing along the roadside with gates at the front but they are not locked, or she can also enter through the gate by the rear garage.

Dear Graham

I am writing to confirm that I intend to carry out my site visit to assess this application next Monday 3rd February 2025, later on in the morning. I do not need to meet anyone there, but I will need to enter the gardens. The visit should not take longer than 30 minutes. I will take photographs of the property and the surroundings to assist in my report writing. **Please ensure any access gates are unlocked.** If there is any reason why your client would rather I didn't visit then I shall be pleased if you can advise me as soon as possible.

Thank you. Kind regards

Anna
