Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The amount of noise and light pollution that is created by people visiting McDonald's is not suitable for a residential area. Extending hours to include after the pubs have closed is only going to make it worse. If anything we should be seeking a reduction in the late night hours. McDonald's also needs to do better at cleaning up the rubbish left by its patrons!!

Kind regards
