Reasons for comment:	
Comments:	Even with the current hours McDonalds is very disturbing. The lights switch on at 6am already and don't switch off till way past 11. The beeping and drive through can be heard through closed windows as well as the horns and revving of cars. You can hear the servers taking the orders through the microphones. Extending the hours will coincide with the pub closing times attracting more drunk people and their antisocial behaviour. This

is a restaurant surrounded by a residential area.
I would actually like to see the times reduced.

Kind regards
