### Customer Details

Address:	37 Sunte close Haywards Heath
----------	-------------------------------

### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>As a resident of Sunte close Haywards Heath I object on the following grounds:</p> <p>We have just had a 6 month hose pipe ban. No reference has been made by the water company about investing in new storage. With drier seasons expected where is water coming from?</p> <p>I was unable to get a routine prostate test from my doctor due to lack of appointments. Where is new infrastructure coming from ?</p>

This is a single lane road in and out of HH. This development will add c. 200-250 cars to the local roads that are already too busy

This site is a green field site that helps to give HH a rural feel and this will create more concrete and potentially provide more issues with local flooding

---

Kind regards
