Hi Debbie

I am sorry that is a typing mistake. Please can you take it that the new windows will be white upvc to match the existing white upvc

Thank you

Best regards

Claire Haigh

Subject: DM/25/2534 - 7 Downs View Road, Hassocks

Dear Mrs Haigh

I hope this e-mail finds you well.

I write with regards to the above application for a lawful development certificate for a roof conversion with rear facing hip to gable roof and side dormers to both sides and front rooflights.

I have reviewed the proposal and have a query in respect of the submitted Permitted Development Statement which states that the dormer windows will have 'grey aluminium windows to match existing.'

Part 1 Class B of the General Permitted Development Order requires materials used in any exterior work to be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

As the existing dwellinghouse has white upvc windows, I do not consider that the proposed grey aluminium windows would comply with this criteria, unless you are able to confirm that there are existing grey window frames at the property.

Alternatively, I would be grateful if you could confirm that white window frames will be used to match existing windows at the property.

I look forward to hearing from you.

Kind regards

Debbie.
