Reasons for comment:	
Comments:	I appreciate and am supportive of providing more homes in Haywards Heath and the surrounding area, however, I feel this would be an overdeveloped of the site. There are clearly already not enough parking space at Kildwood apartments with parking often spilling out into Rocky lane. This has made this road less safe and there have already been a number of accidents and near misses. More cars parked in the road would exacerbate this.

There has already been a lot of development in this and the surrounding area. It doesn't feel appropriate to keep developing the site again with the associated noise and disruption. I would encourage the council to approve developments that all take place at the same time.

Kind regards
