Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Following on from the previous applications, I again object to this planning application. The Prince Albert is positioned on a busy junction, which is already hazardous, without the extra traffic from a convenience store. There are already 3 stores in the village, which cater perfectly well to the community and another store would not provide the village with anything new. There is enough building taking over this once small village, it is losing its identity, and this is just another change that will have an effect on this village.

Kind regards
