Dear Sir/Madam

Reference: DM/26/2393

Description: **PHASE 1 - To install a new stout pole. To cut the existing Low Voltage (LV) overhead line between pole 629949 and 80 Western Road, and reconnect to the new stout pole as shown on plan UKPN8500369207-1-500-PH1. To install a new temporary LV pole. To cut the existing overhead spur between 80 and 82 Western Road, and reconnect to the new temporary LV pole. To install a new 2w 50ABC cable from the temporary pole to 82 Western Road.**
PHASE 2 - To remove the existing overhead spur (between no. 80 and the temporary pole) from the pole and connect to the corner of the finished extension at no. 82 Western Road.

Location: 82 Western Road Haywards Heath West Sussex RH16 3LN

I refer to your application received in this office on 28th September 2026 concerning the above site.

The authority does not have any objection to the above works and they may proceed under the terms of the Overhead Line (Exemption) (England and Wales) Regulations 2009.

Mid Sussex District Council does not wish the Secretary of State to consider the application using the full section 37 process under the Electricity Act 1989.

Yours faithfully

Eric Owens
