Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support the outline of the application with caveats. As long as no further parking spaces are created (As we have a huge parking within 100yards of the building. There also needs to be an extension of double yellow lines outside the building, as we have already experienced an increase in traffic, due to parked cars blocking the road. A stipulation of no alcohol licenses and operational hours of 7am -

8pm should be imposed, as we have a hospice across the road
and do not want it to attract anti social behaviour.

Kind regards
