Reasons for comment:	
Comments:	You have be a padel player to understand the excitement to have this facility in Burgess Hill. With only one court which has seen better days in B/Hill this opportunity to expand a fast growing sport would be welcomed. It's in a position which isn't detrimental to the community and with 3000 houses being built Burgess Hill needs all the help it can get to attract people to the town especially as the town centre has been ruined. Please don't stop sports facilities being built.

Kind regards
