Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We gladly welcome another sports facility for the area. Padel is the fastest growing sport and there is locally a strong demand for courts. Unfortunately, the court at the Triangle is in a bad state of repair and in the middle of other sports facilities which isnt conducive to serious playing, so would be delighted to see more opportunities for ourselves & our children to have access to padel courts.

Kind regards
