Reasons for comment:	
Comments:	I am writing to express my support for planning application DM/26/0051, proposing the creation of three outdoor padel tennis courts. As a padel addict and father of two children both ranked number 1 in Sussex at U14s and U18s respectively I welcome this application. Padel is a fast-growing, community-focused sport that encourages healthy, active lifestyles for people of all ages.

The proposed courts would provide valuable recreational infrastructure, promote physical wellbeing, and offer a positive social hub for local residents.

With thoughtful design and responsible management, the facility would be a welcome addition to the area.

I hope the application receives favourable consideration.

Kind regards
