Hi Debbie

Apologies, you are correct there are 3 totem signs, the third was added without my knowledge, I have someone working on the location drawing now and adding the third.

If you need any further information from me, please do let me know.

Thank you in advance

Dear Mrs Smith

I write with regards to the above application for advertisement consent that has been recently submitted.

I note that the description of the proposal is for 2 internally illuminated fascia signs and 2 totem signs.

The attached location plan shows the position of the proposed signage, with 2 totem signs (D) proposed.

The attached plan with totem sign details shows 3 different locations for the proposed signs.

Please can you clarify how many totem signs are proposed and amend plans accordingly. If 3 totem signs are proposed, then I shall need to amend the description for the proposal and re-advertise the application.

I hope that the above assists but please get back to me should you have any queries.

Kind regards

Debbie.
