Comments:	The Town Council welcomes the rejuvenation of this property and supports the application on condition that Mid Sussex District Council's Tree Officer and relevant Ecologists and Biodiversity Officers are satisfied with the proposal. The Town Council does, however, seek reassurance that any future redevelopment proposal retains the Category A Oak (T2) and majority of Category B trees, preserves the character of the Conservation Area, and demonstrates adequate protection of Root Protection Areas in accordance with BS5837:2012.
