Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm not sure how many times we have to reject this awful proposal. Our village does not want any more convenience stores (we are a village and do not wish to be a town) and we most definitely do not want flats. Flats do not belong in a village. Why are you so intent on destroying our village with building proposals

Kind regards
