Commenter Type:	Business or other organisation
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The news agents has supported our community for 17 years, and done an amazing job during Covid. I fully support their application as a business owner on the high street for nearly 10 years, and also a resident of the high street. i welcome any business trying to expand in these troubling times! Anyone that wants to stunt anyone's growth should ask themselves this, would you accept a pay cut for doing the same work?

This is what happens for businesses that can't expand when times are hard.

The news agents has to compete with budgens now so should be allowed to grow and compete.

Kind regards
