Reasons for comment:	
Comments:	I am writing in support of the application to extend Mr and Mrs Amin's property on Handcross High street. Mr and Mrs Amin have served the village tirelessly for years with their newsagents, providing an exemplary service to all. While I accept there may be an increase in the need for parking in the village, this was not considered an issue when Budgens was opened in June of this year. The increase in shop space this extension would provide could

allow the possibility of a post office being available again in the village, something that has been sorely missed, especially by older members of the community who are unable to travel the distance to the nearest counter.

While the increased height of the extension could be troublesome for some neighbours, the overall floor space remains unchanged and if the correct provisions are put in place now, I see no reason the planned works can't be made acceptable to all.

Kind regards
