Reasons for comment:	
Comments:	I am the owner of The Handcross Club and would like to give my support to Nick and Tanvi as a fellow business in the community. They not only have supported and supplied Handcross and the other local villages for the last 17yrs, they have also shown myself a huge amount of help since I took over the club. Allowing the extension they require would improve and hugely help them with to growth of their business, which in turn will allow them to continue to supply and support the community with all its

needs. The small local businesses should be working together to help the village with its growth and prosperity. Which Nick and Tanvi are a huge part of and should be for many years to come.

Kind regards
