Comments Details

Comments:	The Parish Council commented that, in its view, the proposed changes to the roof were not considered practicable and raised concerns regarding drainage of a gully made between the new roof and the outside wall of the house, which could create damp issues in the future. Councillors suggested either a pent roof or noted that the property known as Daleham (ref DM/21/2981), further along Deanland Road, had recently undertaken a conversion of a flat-roof garage with a mock gable detail, which was considered a preferable solution. The Parish Council did, however, note that the proposed window was preferred.
