Dear David,

Thank you for your email and confirming the withdrawal of the application.

With regards to the cladding this will require the submission of a Householder Application.

Kind Regards

Dear Katherine,

Thanks for your email regarding cladding and side window.

Please withdraw the application and we will deal with cladding separately. What is the most straightforward way to manage this?

I understand our clients intend to create an obscured side window using stained glass and will review as we are looking to enhance the building and it's setting.

Angharad is away, so will respond shortly but let me know about cladding so we can put this in hand. Thanks.

Kind regards,
David
