Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Application DM/24/2409 . I wish to convey my objection to the proposed planning application.</p> <p>To my understanding, this site is not suitable for human habitation due to the past disposal of waste products and lack of services required for modern living. There are no public transport services in the village, and no paved</p>

walkway to the nearest facilities for over 1 & 1/2 miles.  
This long abandoned site is home to a wide range of wildlife,  
some of which are on the UK protected list.  
Also, I believe this area has fulfilled its housing quota under the  
neighbourhood plan agreement, so it would be totally unfair to  
grant planning permission in this instance.
