Subject: DM/23/2610 - Objection - 50 Houses & Subsequent Roads/Vehicles

[REDACTED]

Dear Sirs,

Re objections already made regarding the dangers of even more traffic from the 50 new houses/roads proposed near to the three entrances already present into Hanlye Lane. Vehicles regularly cut the corner over the Ardingly Road/Hanlye Lane roundabout - recently a car actually landed on top of Horsgate Twitten hedge nearby which had to be removed by the local transporters with its crane. This lane is narrow, regularly potholed with dangerous sharp bends, the following information should also be considered.

Yesterday, a person from Little Horsgate 'Travellers' Site departed it's drive onto Hanlye Lane in cart pulled by a brown mare at 3.45pm. The direction of travel was eastwards, into Haywards Heath. Cars were lined up behind the cart as it was travelling 5mph, as this lane has very dangerous bends it is a wonder a fatal collision did not occur. As this person, presumably, has a right to, and will, continue this practice it is yet another very strong reason to object to yet even more vehicles from this proposed build travelling along this lane if this planned development is allowed to go ahead.

Yours faithfully

On Behalf of All Hanlye Lane Vehicle Drivers From Far & Wide
