Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I've previously provided comments on the last proposal. I hope those comments are taken into account but I am worried about an additional road onto a busy pavement used by school children. This coupled with the fact that all housing needs have been met in the local plan and the additional weight to traffic in the area, loss of natural undeveloped land.

Kind regards
