Description of Proposed Works

Please describe the proposed works

Infilling of a dried up pond after moving into the house in July 2020.

The pond had been dry for a considerable amount of time and was covered in leaves and foliage. After clearing the overgrowth starting in July 202, topsoil was added in Sept 2020 to make it into a garden area. The pond area was dry at this time and include photographic evidence of the pond at the time of moving in and the works shortly after.

In addition, the lady we purchased the property from was disabled and the house and grounds were in disrepair. I understand that she had lived alone since 2003 and the pond has been dry for the majority of this time.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

To apply for retrospective planning permission to regularise the works and breach of planning control and that he has received comments from the drainage officers who have confirmed that they would be unlikely to raise an objection to the removal of the pond on drainage grounds.
