Subject: DM/26/0879 19 Dunlop Close, Sayers Common

Dear Tracie,

I have reviewed the Arboricultural Impact Assessment (AIA), including the Arboricultural Method Statement (AMS) and Tree Protection Plan (TPP), therein and find that provided that the measures described in the AMS and TPP are implemented, trees should be adequately protected and should not be impacted by the proposal.

Please condition adherence to the AIA, AMS and TPP.

Kind regards

Emma
