Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There aren't enough facilities to warrant more families in the village. Electricity cut outs, water cuts out and no nhs dentist. Doctors appointments are impossible to get as it is without more pressure on the village doctors. The primary school is always oversubscribed as it is! Through traffic is a nightmare especially if an accident on the a23 and this will cause even more disruption.

Kind regards
