

Telephone conversation with CP and Callum Byrne (agent) on Tuesday 10th February at 10:45 am.

As the description of the tree works was cut off the page on the tree application form, CP rang Mr Byrne to discuss the tree works.

Mr Byrne confirmed the following description of the works:

“T1 Yew - crown lift to 3 metres. T2 Oak - reduce overextended limbs by 2 metres to match canopy. T3 Lime – crown lift to 3 metres and remove epicormic growth.”
