Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Our front kitchen window and front door look on to 67 Tiltwood Drive wall/side path at present and the door would not be obscured. So we are requesting a slight adjustment to the plan. The door measurements on the plan would currently mean the additional door would not be behind the gate, so we would

requested it be moved further along the wall and behind the gate as stated on the plan. The gate is 172.5 cm from the end of the wall and not 170 as stated and would appreciate the measures revisited.

We would like the build to include a fence 8ft wide along the boundary from the end of the garage wall to protect our privacy As the conversion will be used for business purposes and there will be constant foot fall of children coming and going from the door.

Kind regards
