Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It's a wrong place for convenience store and flats. Also, it would distract the traffic and the whole life of the area, and the village itself. The huge housing estate already has been build in our village. We, as a villagers don't need another burden on our infrastructure. People, who suggested this plan don't think or care about our village and impact it would make on all residents. No, definitely no to this new development. Objecting.

Kind regards
