Reasons for comment:	
Comments:	Please don't do this. The congestion up in that part of the village has got so much worse since the new Heathy Wood deveelopment has been built. We already have three shops that sell pretty much everything that Tesco's does. This will have a terrible impact on those local shops. If there needs to be four more appartments and another shop in the this area please can

you put it in Heathy Wood which would alleviate some of the congestion in the village. Thank you.

Kind regards
