Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the proposed construction of a Tesco supermarket on the site of The Prince Albert pub due to its negative impact on our community. The development threatens local businesses, increases traffic congestion, and disrupts the village's peaceful environment. Additionally, it poses environmental risks and will undermine the character of our village, which thrives on small- scale, locally owned shops.

Kind regards
