Subject: Tanyard Manor DM/25/2984 and DM/25/2985

Hi Stefan

Initial comments on the above planning and listed building consent applications following our site visit this morning. As discussed, I would suggest that the following further information is provided in support of the proposal:

- A revised and expanded heritage statement to include further detail on the age and sequence of development of the buildings affected by the proposal. This will allow a properly informed assessment of the impact of the works on the fabric and narrative of the buildings, and the contribution they make through setting to the special interest of Tanyard Manor.
If helpful I can provide details of historic building archaeologists working in the Mid Sussex Area.
- Sectional drawings (existing and proposed) to show the regrading works associated with the relocation of the pool and relandscaping of the surrounding area.

Thanks,

Emily
