Good afternoon Debbie,

Thank you for your email. I can now confirm that the applicant has submitted all the required documentation in relation to the District Licence. I can confirm that submission of this certificate is evidence that they have paid all outstanding compensation fees associated with this application and is sufficient in evidencing that this condition has been met. I therefore support the discharge of condition 14.

Once the discharge of condition application has approved, I will then authorise them to work under Mid Sussex District Council's District Licence.

Best wishes,

Laura Downs (*she/her*)

Good afternoon Debbie,

Thank you for consulting me on the above discharge of conditions application. As it stands, the applicant has not submitted their impact plan which is a requirement of the licence as it is a conditioned document. Please could you flag this to the applicant, and then do feel free to drop me a line and I can re-check that we have everything we need.

Best wishes,
