Hi Joanne,

Thank you for consulting me on this application, the developer is currently in the process of joining the District Licence scheme and should have a NatureSpace report to submit to you next week. On receipt of this, please consult us to check the document over and make sure all is present and correct.

The report contains conditions and informative that must be copied in verbatim on to the decision notice in order for them to use the District Licence scheme.

If you have any questions, please get in touch. I am on annual leave next week, by my colleague Laura will be on hand if anything comes up.

Kind regards,  
Jennie
