Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I wish to object against this planning application because the care home will make the traffic worse, the infrastructure worse, and the parking worse. It will cause trees to fall and disturb wildlife. The access onto West Hill will make the traffic more dangerous than it

is already, the additional vehicles will not adhere to the speed limit and parking will become impossible.

Kind regards
