FAO: Martin Dale, Mid-Sussex District Council

Your ref: DM/24/1434 - Bolney Valley, London Road, Bolney, West Sussex

Proposal: Discharge condition 9 in regards to DM/23/1769

Our ref: NH/25/13534

Dear Martin,

Thank you for your email of 3 November 2025 consulting National Highways on the above referenced application.

We are concerned about the safety, reliability, and operational efficiency of the Strategic Road Network (SRN), in this case the A23 in the vicinity of the site.

We have reviewed the submitted Construction Traffic Management Plan (CTMP) (Rev.3, 29 April 2024) against the requirements of condition 9 of planning permission DM/23/1769.

We are satisfied that the submitted CTMP meets the requirements of condition 9.

Our formal response is **no objection to the discharge of condition 9 of planning permission DM/23/1769**.

Should you or any others have any queries regarding our response, please contact us via planningse@nationalhighways.co.uk.

Kind regards,
