

Application reference: DM/26/0448

Site Address: 10 Churchill Way, Burgess Hill

Site Visit Date: 02.03.2026

North – Existing garden amenity space with some mature tree planting to the rear and a linear plot form. Looking from the front, there are two rooflights on the principal elevation to the north and a two storey front projecting gable. Astroturf and a single storey timber outbuilding to the garden.

South – Existing rear elevation with a two storey crown roof element. To the roadside, there is a low brick built front boundary wall, block paved driveway and astroturf front garden.

East – Single storey lean to element to the side of the property which runs within a close proximity to the shared boundary.

West – Black timber built single storey element located to the west of the property between the neighbouring site.

Streetscene – Two storey detached dwellings, set within relatively generous plot sizes. Tile hanging and front projecting gables provide visual interest throughout the streetscene.
