Good Evening

Please find below Worth Parish Council's Planning and Highway's delegated comments for the following applications.

DM/26/1870 Francis Court Borers Arms Road Copthorne Crawley West Sussex RH10 3LQ

Worth Parish Council fully supports this application. The proposed boundary amendment will facilitate a wider, safer pedestrian pathway for residents and Pavilion users. The Council welcomes improved accessibility and pedestrian safety benefits and therefore strongly supports the proposal.

DM/26/1845 4 Hillside Crawley Down Crawley West Sussex RH10 4XD

Worth Parish Council Supports this application

DM/26/1350 Brambleside Felcot Road Furnace Wood East Grinstead West Sussex RH19 2PX

Worth Parish Council supports this application, however, requests that officers consider the width of the access road and its suitability for construction and delivery vehicles. Given the potential constraints of the road, appropriate measures should be put in place to ensure that the movement of materials and construction traffic can be undertaken safely and without undue inconvenience to neighbouring residents or obstruction of the highway.

DM/26/1060 5 Knowle Close Copthorne Crawley West Sussex RH10 3LR

Worth Parish Council Supports this application.

DM/26/1892 Land Referred To As Fir Trees Place Turners Hill Road Crawley Down RH10 4HQ

Worth Parish Council notes that this application is for a Lawful Development Certificate and therefore constitutes a legal determination rather than an assessment against planning policy. Worth Parish also notes that the area which is subject of the application does not include the hatched area of hard standing marked for removal in the MSDC's recent enforcement Order and asks that Enforcement Action is expedited and not delayed by the application._

With Kind Regards
