I'm assuming you are the Case Officer for the above application.

Not going to object to the work.

But, will the road that accesses the property be repaired. It's in a very POOR state.

I have been contacting Hastoe Housing Association for 2 years now and nothing has been done.

Ive contacted the Ombudsman, The Builder and them and all 3 have ignored the letters.

It's cost me 4 tyres up till now.

Please assist

Yours truly

David Cowlard
