Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I totally object to this proposal. This lane is a narrow rural lane, heavy vehicles driving up and down it 24/7 would greatly impact the residents and users of the local footpaths and bridleways. Pedestrians, dog walkers and horseriders would be at significantly greater risk. The noise and disturbance to residents and users of the road, including children from Hurst College, when evening and early

morning heavy traffic would significantly increase the risk of serious accidents.

Kind regards
