Reasons for comment:	
Comments:	As a parent at Keymer and Hassocks Cricket Club, I fully support this planning application. It will improve local community cricket provision in the Hassocks and help the club to go to the next level for the 40 adult members and over 120 juniors, including our girls' section. It is essential for the club to keep pace with our local cricket clubs as we have lost junior players to other clubs with practice facilities like this proposal. The club has shown it's commitment to this project by self-funding

over £26k and securing grants for around £38k.

Thank you for your consideration.

Kind regards
