Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The Castle has been in decline since before CV19 really finished it off! These new plans and ideas are exciting and will ensure the future of The Castle. It will not only be a wonderful addition to the community that has been making for several years but will also offer exciting

employment opportunities to many.

This should be fully supported and encouraged by all.

Kind regards
