Reasons for comment:

| Comments: | Happy with initial application for two storey extension with flat roof. However revised with pitched roof will restrict our view of Haywards Heath which was not impeded seriously by the flat roofed extension. I know original application in 1981 was approved on this basis but feel this is historic and full consideration should now be given to the effect of this on neighbours. Property next door has side extension with flat roof so original proposal would be inline with this. |
