Warninglid Haywards Heath West Sussex RH17 5TJ

Dear Katherine,

The Flood Risk and Drainage Team have reviewed the above application.

No further technical information has been submitted since our previous comments dated 07.01.2026

Once the supporting surface and foul drainage details have been received, we will be able to provide further comments.

Receipt of the requested additional information does not mean further information will not be requested, nor does it guarantee that the Flood Risk and Drainage Team will not object to the development. Neither does it prevent the team from recommending a flood risk or drainage condition.

Best Wishes
