Customer Details

Address: Devonian 77 Western Road Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Due to the very very close proximity of the Pine Tree to 'my' house and the road it is urgent that this Pine Tree is removed to prevent damage / injury / fatal accident. The extreme height / location and overall size of the Pine Tree I consider increases the hazard / risk element. Due to frequent severe weather / wind conditions / heavy rain could also increase the danger of it falling onto my house. I am very concerned that the tree is leaning towards my house

and the level of damage / injury / fatal accident in the event of it falling - is why I am supporting this application.

I would also be very grateful if the option of a 50% reduction could be considered as an alternative to removal.

I hope you understand my concerns and the application is approved.

kind regards
Nicholas Wood

Kind regards
