Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object wholeheartedly to another Vape Shop no matter what the signage is. Do we need another almost opposite one that has no one in it ever. [REDACTED] [REDACTED] we don't want this kind of business in our town which used to be a respectable town. These types of shops are bringing it down, it's not welcome and when will the government/council wake up and the police step in and shut these awful places.

Kind regards
