[REDACTED]

Dear Anna

I am writing in relation to the current planning application concerning the bungalow at number 32 Potters Lane, Burgess Hill. RH15 9JS

Having reviewed the submitted aerial plans, I am concerned that the red boundary line has been drawn down the centre of the shared driveway. This appears to suggest that half of the driveway forms part of number 32's property boundary, which does not reflect the understanding or arrangements associated with the property deeds.

[REDACTED] am currently in the advanced stages of selling the property and have recently signed a legal declaration confirming that the shared driveway between 32 & 34 Potters Lane is to be kept clear at all times, in accordance with the covenants in the deeds.

Given the importance of this matter to the ongoing sale, I am concerned that any inaccuracies in the planning documentation could jeopardise the transaction. I would therefore be grateful if the boundary depiction could be reviewed and amended as necessary.

Please could you also confirm in writing once this has been addressed.

Thank you for your attention to this matter. I look forward to your response.

Yours sincerely,

[REDACTED]
