Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Water supply under serious strain will not cope we regularly get no water in our taps in cuckfield as it is. The schools are over run Will ruin our lovely protected wildlife including barn owls and bats seen in the area it will ruin our beautiful green spaces. These

should be protected

Roads will not cope the roads around this are frequently blocked with traffic ques, penland road past the school is being used as a rat run and is now very dangerous for the children coming out of haarlands school. This development is not supported by the local community!!

Kind regards
