Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	How many times do we need to object! There are no services being built like doctors hospitals schools etc etc yet all these new homes are being built. The local school is already over subscribed.

This area is already suffering from too many new homes.

The local roads can't take more traffic. Hanlye Lane and Balcombe Road are already too congested.

This is a natural habitat and would damage the ecology.

Kind regards
