Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	The black shop front is not in keeping with the area. In fact it stands out for all the wrong reasons. The yellow neon signage is also not in keeping. It brings the atmosphere of the town downwards contrasting with light bright cafes with families just across the road. The frontage is promoting vapes and high caffeine drinks which are not what should be being promoted for a healthy lifestyle in the town. The late licence will only encourage loitering around the area. This could cause disturbance to local residents and other businesses in the area.
